Summary

This Executive Director Action Resolution authorizes SBC California (SBC) to withdraw its Schedule Cal. P.U.C. No. A1, A6, D10, D11, and 175-T, for which there are no existing customers or applications for service.

Background

By Advice Letter (AL) No. 25382 filed August 20, 2003, SBC requests authority to withdraw Access Advantage as a tariffed offering. SBC states there are no customers or applications for this service.

SBC requests that the effective date of its withdrawal request be established by Commission Resolution.

Notice/Protests

SBC states that a copy of the Advice Letters and related tariff sheets were mailed to competing and adjacent utilities and/or other utilities, and interested parties as requested. Notice of AL No. 25382 was published in the Commission Daily Calendar of August 25, 2004. No protests to these Advice Letters have been received.

Discussion

Resolution No. T-9597, dated March 22, 1977, authorizes the Executive Director to grant requests for the withdrawal of communications utility services for which there are no customers and no requests for such services.

The Telecommunications Division has reviewed and concludes that SBC's request in Advice Letters Nos. 25382 meets the requirements set forth in Commission Resolution T-9597 and recommends that the Commission approve these filings.

Commission approval is based on the specifics of the Advice Letter and the associated tariff sheets, and does not establish a precedent for the contents of future filings or for Commission approval of similar requests.

Findings

1. SBC's request to withdraw its tariffed service offering of Access Advantage, for which there are no customers and no applications for service.
2. Pursuant to the authority granted the Executive Director in Resolution No. T-9597, SBC's request is just and reasonable and should be granted.

THEREFORE, IT IS ORDERED that:

1. Authority is granted to make the tariff revisions contained in SBC's Advice Letter No. 25382 is effective on the effective date of this resolution.
2. Advice Letter No. 25382 of SBC California and accompanying tariff sheets shall be marked to show that they were authorized by California Public Utilities Commission Resolution No. T-16889 and its effective date.
